

## Wet area mats

Muovihaka specializes in the manufacture of high performance matting systems for entrances, wet areas, and doormats for indoor and outdoor applications.

The mats are made of different plastic raw materials by injection moulding, and through practical application and exhaustive laboratory tests, Muovihaka has developed professional mats for commercial market as well as for residential use. The mats are made for durability and suited for every need, and come in attractive colours and patterns, especially designed for easy cleaning and maintenance.

Interlocking wet area mat Lagune is ideal for swimming pool surrounds, showers, spas, saunas and changing rooms. Unique design allows water to easily drain off, providing slip resistant, safe and dry surface. Lagune is warm and comfortable and ideal with barefoot traffic.

Modular tiles of Lagune can be assembled in a variety of designs and shapes. Modular mat allows you to economically create a surface of any length, width or shape. Lagune wet area matting is an ideal way of covering large or irregular areas. Lagune tiles have a built in connecting system that allows them to be easily interlocked.

Lagune is treated with an anti-microbial additive for protection against the growth of mould, mildew, fungi and odour-causing germs. Lagune is designed to prevent the development and growth of bacteria and it resists also body oils and chemicals.

Lagune offers exceptional drainage and comfort all in a modular mat. Curved design of the surface promotes

immediate drainage. Unbacked construction allows water to pass through the mat, providing safe and dry surface. The soft and resilient non-slip knobs on the surface of the mat provide comfortable cushion for bare feet.

Lagune mat is easy and inexpensive to clean simply by mopping over or hosing down. Lightweight Lagune matting is easy to handle and it can be rolled up for maintenance. Dirt that falls through the mat is easy to clean up from the floor underneath.

- Unique design
- Water easily drains off
- Slip resistant
- Safe and dry surface
- Warm and comfortable
- Ideal for barefoot traffic
